THOMAS INCIDENT

17-CA-VNC-103156 – December 11, 2017 – 0700 TO 0700

FIRELINE QUESTIONS TO EMPHASIZE SAFETY

TEN QUESTIONS EVERY FIREFIGHTER MUST ASK AND ANSWER YES TO BEFORE ENGAGING IN FIRE SUPPRESSION

1. Do you understand the organization for this fire and your place in it?
2. Is there a plan and do you understand it?
3. Do you know it is OK to ask questions and ensure that the instructions you are given, provide for your safety and the safety of your fellow fire fighters?
4. Do you know the weather forecast for today?
5. Have you assessed fire behavior and made a prediction?
6. Are you interactive with the *Standard Fire Orders* and *Watch Out Situations*?
7. Do you have the Lookouts, Communications, Escape Routes, and *Safety Zones* in place?
8. Do you understand that it's both your responsibility and your right to say No to orders that cannot be accomplished without compromising one or more of the *Standard Fire Orders* or without mitigating each of the *Watch Out Situations*?
9. Can you describe the fire environment you are going to operate in?
10. Are you prepared to engage; monitor the fire environment, be proactive, and make adjustments?

SNAGS AND HAZARD TREES:

All trees, especially large trees are potentially dangerous.

- Trees don't tell when they are going to fall, they just do. Be heads up!
- Minimize your exposure time and resources around hazard tree.
- How many times do we have a conversation under large trees?

DEHYDRATION:

- If you lose 5% of your hydration, you lose 50% and you will need to visit medical.

THOMAS FIRE INFORMATION

Fire Information Line: (805) 465-6650

Media Line (925)588-6904

MEDIA

California State Penal Code Section 409.5(d) allows the news media to enter scenes of disaster, riot, or civil disturbance. Properly identified members of the news media should not be restricted from entering the locations specified within the code, even if the area presents a danger to them. Media members should be advised of the nature of possible danger. Members of the media do not have the right to access crime scenes or any area where their presence may interfere with incident operations, mitigation or evidence collection.

- The media may only access private property with the property owner's permission. Fire personnel cannot provide members of the media with authorization to enter private property.
- If approached and questioned by the media and/or the public, talk about your assignment or task at hand. If need be, direct the questioning party to the incident PIO.
- Do not speculate or give opinions
- There is no such thing as an "off the record" comment.

CAL FIRE SOCIAL MEDIA POLICY (Social Media 0691)

Social Media is increasingly being used by public agencies and the media as well as the public. This form of communication continues to grow rapidly in order to supply the public's desire for instant information gratification. All personnel assigned to a CAL FIRE incident will adhere to the CAL FIRE Social Media Policy. Further information about the CAL FIRE Social Media Policy can be obtained from the Information Officer. If you are uncertain, please ask. **Do not post:**

- Inappropriate information, pictures or videos
- Opinions regarding the incident or policy
- Endorsements of any kind

PICTURES AND VIDEO OF INCIDENT

We are in a new era of media. Media no longer means the news/broadcast industry but now refers to anyone that has the capability to shoot video and or photographs and post them onto social media in a matter of minutes. Unfortunately we have seen some instances of video or photographs that have depicted unsafe, unprofessional or embarrassing circumstances which are a serious breach of ethics. When this happens it reflects poorly on all that are attached to this incident. Posting an inappropriate video, photo or blog comment could have unwanted effects. It may be unsafe to shoot photos or video and a firefighter who is concentrating on a camera can't be looking up, down and all around.

LOST AND FOUND

The Information staff will manage *Lost and Found* items for the incident. If you have lost an item, leave your contact information and what you have lost at the Information trailer. If you have found an item on the incident, bring the item to the Information trailer.
